

Thanksgiving Pie Sale

This Sale begins Thursday October 5th with orders and payment due to (Mr. McClaine or Mr. O'Connor) on Thursday October 26th. Please make checks payable to Austintown Band Parents or ABP. Please return your pie order form and payments along with the attached Fundraiser Pay-In Sheet to insure proper credit. List the band members name in the memo line of all checks, and please place you telephone number on the Pay-In Sheet.

The Thanksgiving Pie sale is a general fundraiser for the Band Parents Organization for 6th and 7th graders and an individual trip account fundraiser for 8th through 12th graders.

Last year we held our second Pie Sale prior to Thanksgiving selling over 1000 pies! This year our goal remains a 1,000 pies! You can sell these not only for Thanksgiving but encourage your buyers to put a couple in the freezer for Christmas, too.

This year we will once again sell pies from Gardner Pie Company in Akron. It is a family business that has been in operation since 1945. The Band Parents Board members over the past two years have tested multiple pies, so we can give you our personal endorsement that we think you could pass these pies off to your family as something you made yourself! The pies come frozen, ready to bake with instructions. The pies this year are 10 inch pies and we will sell them for \$10 per pie. There are 7 different selections. The selections are: Cherry, Berry, Peach, Pumpkin, Pecan, Apple and a special Apple Walnut Caramel. The best news is that our profit margin will be about 30%, and there are incentives that if we sell 250, 500 or 1,000 pies the profit margin can increase up to 48%.

IMPORTANT TO ADD TO THE ORDER FORM: Fill in "Cost per pie" as \$10 and check "Frozen (with baking instructions)" the "Delivery information," we will have the pies for pick up at Stand 1 (by the old Tennis Courts) on "Friday November 17th" from 4:30pm to 6:30pm. You can decide on how you will distribute to your buyers and fill in the blank accordingly.

Any questions, please contact Brad Gessner by phone or text at 330-398-0681
